

GDL

GDL (Wolf's Jaw) windows are double-sash windows with a movable post GDL „wolf's jaw – sheep's head" (French: Gueule de loup). When the window is opened, both sashes open simultaneously.

The GDL windows are available in several models:

GDL-HTR - the sash overlaps the window frame on the inside,

GDL-GFR - the sash and frame are flush on the inside, while the sash is recessed from the window frame on the outside,

GDL-SCF - the sash and frame are flush on the inside and outside.
